AT THE LAST CAMPBELL elementary school board meeting, the trustees approved the tentative plans for the rebuilding of the Quito School office and administration unit which had been destroyed by fire a few months ago.

It has been determined that the fire was deliberately set.

The insurance company, of course, picks up the tab for the rebuilding of the office, which amounts to about $51,000.

In addition to the office, however, the trustees decided while they were at it to expand the facilities and approved a 400 square-foot addition costing about $20,000.

The board members were quick, of course, to point out that the funds for the addition were available in bond funds for building purposes and would not affect the general fund of the district.

Everyone agreed that the addition was a good idea.

The extra space was needed.

As a matter of fact, Ralph Steinberg emphasized that it was highly essential.

Ralph brought out the point that the addition would allow for another restroom. That would make a total of two for use of the staff members, he added.

He suggested that only having one powder room at the present for both men and women staff members made things a little inconvenient at times.

The other board members agreed.

The vote of the trustees was unanimous on the issue.

SPEAKING OF VOTING, there was an interesting development at a recent county housing policy committee meeting attended by Dean Chamberlin and Bill Means, who are this city's representatives on that body.

After considerable discussion, the committee voted 15 to 13 to approve a specific housing policy that will be forwarded to the various governmental agencies in the county.

Dean thought there were a number of points in the measure that needed clarification so he voted in opposition.

Bill, on the other hand, thought the idea had considerable merit. He voted in favor of it.

On hearing the report of how the two Campbell representatives cancelled each other out, Mayor Ralph Doetsch shook his head.

"That's real teamwork," the mayor commented, "it shows 'em how this community feels."

AT A RECENT CITY Council meeting there was considerable discussion over the type of trees that should replace the huge Monterey Pine that had to be removed shortly after the city hall was completed.

You may recall that care was taken when the city hall was built to save the stately pine that would tower over the north section of the building.

The tree was enclosed by a wall and architecturally speaking, it was more or less a part of the complete complex.

Except it was found that the tree was diseased.

It had to be removed, leaving the wall, of course.

-0-

SINCE THAT TIME, VARIOUS suggestions and estimates have been offered with respect to what should be done about replacing the tree.

There would be considerable expense involved no matter what was done. And it had already cost almost $600 to get rid of the original tree.

However, the citizens' clock tower committee had some dough left over and it was decided the city could use the overage toward getting a new

Judges select queen for first Easter parade

ROYAL COURT FOR FESTIVAL--Flanked by Vice-Mayor Bill Podgorsek (left) and Mayor Ralph Doetsch, the royal court for Campbell's first annual Easter Parade on Saturday, April 1, pose for the photographer.

Wearing her robes of office and holding trophy and scepter is Kathy Arnold, 18, who was selected queen last Saturday at San Tomas Plaza Shopping Center.

The queen's ball, honoring the queen and her court, will take place on Friday, March 31, at Campbell High School at 8 p.m. Music and entertainment will be provided by the Campbell High School dance band and orchestra. Tickets for the queen's ball are 75-cents.

Queen Kathy's court in the above photo are, left to right, Sandi Lunt, 17, first runner-up; Lupe Austin, 17, first princess; Queen Kathy; Cindy Long, 19, second princess; Kathy Cantwell, 19, second runner-up.

A panel of seven judges selected the queen and court after a two-hour parade in hot pants, formal dress and each contestant giving a short narrative on why she would like to be Easter queen. The judging was based on the poise and beauty of the contestants. During the ceremony continuous entertainment was provided by Barrt Tones for the many spectators who were in attendance.

Youth panel features CofC luncheon meeting Thursday

Goals of the youth in the Campbell area will be outlined this Thursday (March 23) at the monthly luncheon meeting of the Chamber of Commerce. The luncheon will be held at the Royal Fork, 1730 W. Campbell Ave. at noon.

John Copper, of IBM and a member of the CofC directors, is chairman of the newly formed youth activities committee of the chamber and it will mark the first time that CofC members will hear of the objectives of the organized youth of the community.

Members of the panel include Becky Campos, chairman of the City's Youth Advisory Commission representing the high schools; Cindy Casteel, also a member of the Youth Commission from Campbell Elementary School; Steve Tedesco, West Valley College student and Rusty Hammer, of Santa Clara University and former chairman of the Youth Advisory Commission.

Kathy Arnold, who last Saturday, was named queen of the first annual Easter Parade, which will take place on Saturday, April 1, will be a special guest at the luncheon.

Voters

Fewer voters are eligible for the city election on April 11 than was the case for either the special city election December 1970 or in the city election of April 1970, City Clerk Dorothy Trevethan reports.

The registration for the election this year stands at 8,881, the city clerk said.

In December, 1970 there were 10,034 voters listed and in April 1970 the figure was 9,093.

Board skips tax issue on Thursday

No action is scheduled by the Campbell Union (elementary) School District trustees this Thursday, March 23, on the question of the calling of another tax election, according to the agenda for the board meeting.

The board meets in the administration office at 7 p.m.

But under communications, seven letters are listed. Most of the letters will probably refer to some phase of the 50-cent tax increase election that was defeated on February 29.

Letter writers include, Debora Bolvin, Susan Gellerman, Parkway Home and School Club, Joan Franks, Dorothy Mitchell, Bob Lemmerman and the CETA.

Trustees Judy Ruscigno and Dr. Bob King are scheduled to review on the 1970-71 audit and C. E. Bradley, business manager, is to report on the new West Valley College lease that will run from July 1, 1972 to June 30, 1973.

Superintendent Jim D'Avis is also scheduled to report on the summer recreation program to get the board's reaction as to its continuation. The program is supported by a district override tax.

IN COUNCIL CHAMBERS AT CITY HALL

Jaycees stage candidates' forum next Tuesday

All four candidates who are running for the three City Council seats that are open in the April 11 city election will be on hand next Tuesday, March 28, when the Campbell JayCees sponsor a candidates' forum in the council chambers at the city hall.

The forum begins at 8 p.m. and the date marks the official 20th "birthday" of the City of Campbell.

Two incumbents, Bill Smeed, who is seeking his third term, and Dean Chamberlin, his second, are on the ballot.

In addition, Norm Paul, a member of the Planning Commission and past president of the Chamber of Commerce and Rusty Hammer, a freshman at Santa Clara University and former chairman of the Youth Commission, are seeking election.

Dr. Ed Rogers, who was elected to the City Council in 1960 and reelected twice since then, is not seeking reelection. His term expires next month.

Mike Johnson is the JayCee chairman of the event, and Dave Valkenaar, president of the chapter, will be moderator of the forum.

Prior to the candidates making their brief presentations, Jeff Whittaker, finance director of the city, will explain the city treasurer issue which will also be on the ballot.

Voters on April 11 will be asked to vote on the question of whether the office of city treasurer should continue to be an elective position.

Whittaker will point out the changes that have taken place in the fiscal operation of the city in recent years which, in effect, have diminished the need for the office of city treasurer.

If the voters approve making the position elective, the office will go out of existence at the expiration of the term of Mrs. Velma Olds in April, 1974. Mrs. Olds, who was elected city treasurer in 1958 and has been reelected three times since then, is not opposing the change.

Whittaker, following his explanation. will answer questions from the audience about the issue.

The council candidates will then make their statements followed by a brief rebuttal.

The audience will be encouraged to submit questions to the candidates in writing, Valkenaar said, and the questions will be delivered to them by him.

After the forum, refreshments will be served in the downstairs foyer at the city hall.

NEXT MONDAY NIGHT

Council may approve new city commission

Formation of a new city advisory commission is expected to ge City Council approval next Monday, March 27, and, at the same meeting, final approval is anticipated for the ordinance approving the controversial and long-pending site plan for the 31-acre Amato property.

At a study session last Monday, the councilmen indicated their approval of the tentative draft of the ordinance that would establish a Civic Improvement Commission. The ordinance is scheduled to be presented for first reading on Monday.

However, in giving their unofficial nod at the study session, the councilmen deleted the section specifying ex-officio members (see editorial on page 2).

The councilmen were in some disagreement over from where the ex-officio members should come.

In the Amato site plan matter, second reading (adoption) of the zone change ordinance that would allow Dura Style Homes to put a single-family/town house development on the property is expected to be approved by the same 3-2 vote which authorized the first reading.

Dura Style Homes submitted the application for the site plan to the Planning Commission in December. Since that time the issue has been in and out of city channels. On Monday the curtain drops on the ordinance.

Next Monday the Council is also expected to approve a new lease with the Santa Clara Flood Control for the Los Gatos Creek area within the city limits for recreational purposes and bike trails.

The Council may also take action on the tree replacement for the city hall after a cost estimate for the recommended trees has been submitted.

Drive-in photo job bid fails

A drive-in photo operation for Fox Photos for the Hamilton Plaza Shopping Center, to be located in the parking lot, was rejected by the Planning Commission on Monday night but most of the other plans before that body were approved.

The Commission approved: plans for a storage yard for Tanner Construction at 921 Dell; a warehouse for Hamm, Olavarri and Kronzer at 1249 Dell; an eight-unit apartment for Rolland Bruntz at 1313 W. Campbell and the remodeling of the Shell station at 570 E. Hamilton.

The Commission also approved the application of Vallcraft for a boat sales operation at Hamilton and Winchester The firm plans to redo the service station for a boat sales office.

Lowell Grattan was granted an extension of one year in his development schedule at Hamilton and Llewellyn and Valley Title was also given a one year extension for the development of 102 lots at Latimer and San Tomas Expressway.

The request of California Savings and Loan for approval of a tentative parcel map for property extending on Bascom Avenue from Campbell to Fewtrell after Commissioner Don Hebard suggested that it was important to keep in mind that commercial properties along Bascom should be oriented to that street and not the residential ones.

Prezoning hearings were set for April 3 for properties on East Campbell Avenue, Duncanville Court and on North Union now in the process of being annexed to the city.

Voters okay 11-cent hike in Moreland

Voters in the Moreland School District on Tuesday, March 14, by a slim 229 vote margin approved an 11-cent tax increase for the school district.

By a vote of 3,062 in favor to 2,833 against, the general purpose tax in the district will be raised to $2.75 from $2.64. If the approval had not been granted the tax rate would have reverted to $2.10 on June 30, 1972.

The new tax rate will be in effect for five years. In commenting on the voters' action, district officials pointed out that the district did not ask "the impossible" and that the people apparently recognized that the 11-cent increase was realistic.

Post office sells booklets

Taxpayers can get the written guidance of the government's best tax experts for 75 cents at the post office, according to W. E. Jennings, Campbell postmaster.

The booklet "Your Federal Income Tax" is on sale at the Campbell Post Office daily from 8:45 a.m. to 5:15 p.m.

Jennings said the booklet contains the latest tax information, with information on how to fill out federal tax returns, including many examples of how the tax laws apply to actual situations.

Easter Parade

'52 CONVERTIBLE?

Vice-Mayor Bill Podgorsek, in charge of the City of Campbell entry in the first annual Easter Parade on Saturday, April 1, is still looking for a 1952 model automobile in which the three surviving members of Campbell's first City Council have been invited to ride.

To commemorate the 20th anniversary of the city (March 28), the current city councilmen will ride in a 1972 model. The cars will be suitably decorated, Podgorsek said.

Invitations went out this week to Richard W. Morton, Dr. Frederic Snyder and J.M. Dahl, who were elected in the first city election in 1952.

Podgorsek reported this week that the response to his appeal last week for a 1952 job was great. A 1953 Plymouth convertible has been made available and a 1952 DeSoto (not a convertible). However, the vice-mayor is hoping for a 1952 convertible.

He asks those who might know of some such vehicle to either call John Ruppel at the city hall (378-8141) or Podgorsek (378-2855).

REVIEWING

The reviewing stand for the Easter Parade will be set up at Gilman and Campbell avenues at Campbell Park. City officials and other dignitaries have been invited to be in the stand when the parade passes.

ENTRIES

Jim Payne, Sr., parade director, reported this week that 43 entries have already been confirmed for Campbell's first annual Easter Parade.

The entries include five bands and nine floats representing various segments of the community. One of the floats entered is by the Moose Lodge of Campbell.

CHURCH ENTRY

The Rev. Herbert Johnson, of the Assembly of God Church, reported this week that his church is entering a float to typify the religious aspect of the Easter season.

TROPHIES

Although many organizations and business firms have donated ribbons and trophies for the parade, still more trophies can be used.

Those wishing to donate trophies are asked to call 374-2712.

DOWN CAMPBELL AVE.

The parade will form in the West Valley College parking lot between Rincon and Campbell Ave. across from the high school and will proceed down Campbell Ave. across from the high school and will proceed down Campbell Avenue passed the reviewing stand at Gilman and will disband in the PruneYard.

The parade is scheduled to move out at 11 a.m.

Editorial

Fills a need

Under discussion at the present time is a proposed city ordinance that would establish a Civic Improvement Commission which would act as an official advisory board to the City Council. It would be similar in nature to the Parks and Recreation Commission, Youth Commission and, to some extent, the Planning Commission.

We believe the idea has considerable merit and it would be to the city's advantage that such a commission be established.

As tentatively drafted, the Civic Improvement Commission would be composed of seven members, all residents of the city. Terms of office would be three years.

There also would be three ex-officio members. One of the ex-officio members would be from the Parks and Recreation Commission, one from the Youth Advisory Commission and one from the Planning Commission.

We particularly like this specific representation from the other city commissions.

It will allow for better communication among the advisory bodies as far as overall city matters are concerned.

There have been times in the past that there has been a lack of coordinated effort because the various commissions were unaware of what the other advisory bodies were doing.

In many instances there has been a common objective. But because of this lack of coordination, much valuable time has been lost in achieving the goal.

The duties and responsibilities of the new commission as outlined would be broad.

For example, and we quote from the draft of the proposed ordinance:

"The duties of the civic and improvement commission shall be to:

"(1) Act in an advisory capacity to the council and to cooperate with other governmental agencies and civic groups and voluntary organizations in the areas of cultural needs, health and welfare services, beautification, environment, library needs, historical needs and problems of youth and senior citizens.

"(2) To identify community needs and problems within the scope of concerns assigned to the Commission.

"(3) To provide channels for the expression of community needs and problems...

"(4) To advise the City Council as to what available resources could be used to deal with them.

"(5) Interpret the policies and functions of the civic improvement commission to the general public.

"(6) To promote community interaction in all phases of civic needs as the City grows and changes in its new environment.

"(7) Advise the city manager and city council of the needs for monies during the preparation of the annual budget for civic improvement programs and recommend a long-range capital improvement for these projects..."

While we concede that the duties and responsibilities as listed may be more general than desired, and that it might be thought, in some quarters, that there is a duplication in the functions of the proposed body with those of existing commissions, we think that as the commission begins to function, the responsibilities will become more specific.

True conceivably there could be an instance when the new commission might embark on a project that is within the province of an existing commission, we really see nothing too radically wrong with that.

After all this is just ONE city. The goals and objectives of all city boards, commissions, councils and personnel should be the same.

There should be a common objective. If such a goal does not exist, then this community is in trouble.

Because of the ex-officio members of the existing commissions are sitting on the new commission even without votes, we have a sneaking hunch that the overlapping of functions will be held to a minimum.

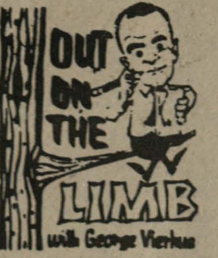
We sincerely believe that the proposed Civic Improvement Commission will feel a need in this community and that it will provide the vehicle for attaining the objectives as the city grows and changes in its new environment.

As the years go by, we are convinced that the functions of this new commission will become increasingly important.

It is an excellent idea.

Mrs. Jeannette Watson, chairman of the Citizens for Beautification, and others who have suggested the formation of this new advisory group, should be commended for their foresight.

MORE ABOUT



(Continued from Page 1)

tree.

So that has eased the $$ burden a bit.

But the councilmen were not going to rush into this thing.

They referred the matter of the replacement tree to the Parks and Recreation Commission, the city body that is more or less the guardian of growing things within the city limits.

Based on the report of Tony Rodriguez, of the Parks and Recreation Commission tree committee, it has been recommended that either a cluster of three Sequoia Sumpervirens (coast redwood) or one Cedrus Deodara (cedar deodar) should be planted.

But before accepting the recommendation, the Council wanted to know the costs involved which should be forthcoming at the next meeting.

-0-

DURING THE DISCUSSION on the tree, the councilmen showed considerable interest in the height of the replacement tree or trees.

It had been recommended that the tree when planted should be large enough to be visible from the street. It was noted that 15-gallon trees would be lost behind the wall and would not make an appearance over the wall for several years.

It was felt that the tree should be at least 20-feet in height.

We gathered from the discussion that most of the councilmen preferred a good-sized tree from the start.

Councilmen Ed Rogers, who is retiring next month after 12 years on the Council, pointed out that he did not favor a slow-growing tree. He wanted to see it while he was still around.

That of course, led to some wise cracks with respect to relative ages of trees and councilmen.

-0-

ATTACHED TO THE tree recommendation of the Parks and Recreation Commission was a bulletin from the Department of Agriculture indicating what trees were susceptible to Armillaria Root Rot (oak-root fungus).

That was one of the reasons that a Monterey Pine was not recommended. (It was a Monerey Pine that had to be removed).

The bulletin listed the botanical names of the trees that were susceptible to the disease.

Fortunately, for us, the common name was listed also.

"Pinus radiata", for example is "Monterey Pine".

Would you know that "Juglans Regia" was "English Walnut"?

And how about "Schinus molle" and "Prunus persica"?

A pepper tree and peach, respectively.

By the way, we got the idea that three Sequoia sempervirens were favored for the city hall location.

Provided, of course, the price was right.

-0-

ON THE DAY THAT voters in the Moreland School District were approving a 11-cent increase in the tax rate by a slim margin, an irate citizen of the district called us to report that she was incensed by the actions of one of the "poll watchers", although that was not the term she used.

She said one of the school principals of the district was standing outside the voting place conspicuously checking the precinct list as the people voted.

Our caller thought that such an action showed poor taste.

As we recall, she described it a little more emphatically than that.

Without getting involved as to whether the poll watcher in question was too obvious in his actions, we submitted that there was nothing new about checking precinct lists in a hotly-contested election.

And the hotter the election, the more intensive checking.

On the other hand, our caller probably had a point about that school administrator being a little too obvious and enthusiastic.

But then again, it has been our experience that election campaigns have a tendency to make people over-react.

It's the name of the game. No one runs to lose.

And it is difficult to run slowly after votes.

However, it is the aftereffect of the intense campaigning that really counts. That is, after the ballots are counted.

No useful purpose can be served by reviewing "what-might-have-been" in any given election.

It is a little late for that.

Specifically, that applies, in our opinion, to the situation in the Campbell Union School District at the present time.

Letters to the Editor

FOUR-YEAR OLDS

Editor:

A State Department of Education Committee has proposed that California children start school at age four. It should be obvious to every rational citizen of California that four year olds in school is only a step toward the thrust for government control of the thought processes of an entire population.

The State Department of Education proposal says that children should start school at FOUR; Santa Clara County Superintendent says, "We must begin a formal instructional program no later than THREE years of age, and earlier if possible" (Superintendent's Bulletin 5/69); National Education Association says, "Educators will assume responsibility for children when they reach the age of TWO" (NEA Journal 1/69).

It appears that the appetite of the government educationalist's machinery will not be satisfied until it has the tender fodder for its behaviorist laboratories which public education has become.

Rationale given for the State Department of Education Committee proposal was that sizeable proportions of the California school population was "severely retarded in reading by the end of third grade."

Just think, if they get our children early enough the little ones might even be rendered severely retarded by Kindergarten!

FAVORS LOW DENSITY

Editor:

Upon becoming aware, a few months ago, of the philosophy of the Planning Commission and the City Council toward higher density and multiple dwellings in our City, I attended many of the public meetings held by both bodies.

I heard, repeatedly, that the views of the citizens of Campbell were sought by our representatives, in order that they might better serve us. During the last few months I heard views expressed time and time again, by the many citizens who attended those meetings.

However expressed, the one message emerging loud and clear was of the desire for lower density, fewer multiple dwellings, and to keep the remaining small amount of undeveloped land in Campbell in as low density development as possible.

Petitions were signed by 1600 home owners, expressing this view, and were submitted to our representatives. Despite this outpouring of citizen participation; despite the efforts of the many citizens who attended months of public meetings; despite receiving this very large expression of the people's desire for lower density in Campbell, on March 13 three of our "representatives", Mayor Doetsch, Councilmen William Smeed and Dean Chamberlin, voted to REZONE a 31-acre property from residential single family (R-1) to planned development (PD) and approve a plan for the highest possible density multiple dwellings.

These "representatives" claimed they "owed" developers the opportunity to build - obviously at the maximum density allowed in this instance. I wonder what they think they "owe" us, the taxpaying homeowners of Campbell, whose participation they so ardently sought, whose views were so hopefully given, and who were so completely repudiated?

My thanks and appreciation go to Councilmen Edward J. Rogers and William R. Podgorsek, who also attended the months of meetings, listened to the citizens of Campbell, and truly represented the citizens in opposition to further mulitple dwellings in Campbell.

Let us hope that all of our elected officials will heed the voices of their constituency and provide us with the representation we ask.

Mrs. Gertrude L. Alcock

ON CHINA VISIT

Dear Sir:

Since President Nixon's visit to Red China there has been a lot of comment on the benefits to be gained from recognition and trade with that country. I feel that we are forgetting some very important facts in this matter.

First of all, the Red Chinese regime does not represent the millions of people they have illegally enslaved under Communism. Our recognition of their leaders can only mean despair to these people and a death to their hopes ever to become free.

The Red Chinese leaders have tortured and murdered more people than any government in history, and are now arming our enemies in North Vietnam and are engaged in subversion in the United States.

To have relations with such a government is treasonous and folly.

Sincerely,
Mrs. R. Russell

TO REIGN AT BALL---Kathy Arnold, 18, was crowned "Easter Parade Queen" at final competition at San Tomas Plaza Saturday. Assisting in the ceremony were Mayor Ralph Doetsch, left; Judi Keno, queen escort; and Don Cupp, master of ceremonies for the contest. The queen and her court will be guests at the Optimist breakfast tomorrow morning, at the Chamber of Commerce luncheon Thursday, at the Rotary luncheon on Monday and the Kiwanis luncheon on Tuesday. They will also be honored at the dance scheduled for Friday, March 31 at the Campbell High School and will participate in the first annual Easter Parde on Saturday, April 1.

VICE-CHAIRMAN --- Bill Wren, Campbell public works director, has been elected vice-chairman of the California council of chapters for the American Public Works Association at the formation meeting recently held in Los Angeles.

The purpose of the council is to represent the position of public works people before the state legislature and to coordinate the positions of the California chapters before the national association.

Wren is currently president of the south bay chapter which includes public works officials from Santa Clara and San Mateo counties.

Did you know that within California, dialing long distance calls direct is not only faster, it's a good way to save money? Dialing direct on calls within California costs less than it does to place the same calls through the Operator.

And if you're looking for a real long distance bargain, dial your station-to-station calls direct between 11 p.m. and 8 a.m. any night, or from 8 a.m. to 6 p.m. on Sundays and holidays*. During those times, you can call anywhere within California for only 49 cents or less, plus tax, for the first three minutes.

Even in the few communities where long distance calls cannot be dialed direct, the low direct rates apply.

*For calls within California, holiday rates in 1972 apply on Washington's Birthday (Feb. 21), Independence Day, Labor Day, Thanksgiving, Christmas, and New Year's Day.

The cut-off date for registering to vote in the 1972 California Primary is April 13. If you will be 18 or older on June 6, election day, and haven't registered to vote yet, please do so. In order to meet the state residence requirements, you must have lived in the county in which you plan to vote for at least 90 days prior to the election. HARD AT WORK---Ed Newman, Jeff Hird, Steve Stoffer, Rocky Salciccia, Diane Thomas and Michele Hatcher pause in their work as they prepare a hole for one of the 117 trees they are planting on the edge of Campbell Elementary School. The seventh and eighth graders are members of Matt Pendo's ecology class.

Campbell ecology class aids JayCee tree-planting project

Students in Matt Pendo's Ecology class at Campbell Elementary School are always looking for projects.

Their current project is demanding quite a bit of them, physically.

Recently the Campbell JayCees acquired 117 trees for planting along the perimeter of the school grounds, on land which is eventually to be incorporated into Rincon Park. Many of the trees were donated by local residents, after their use as family Christmas trees. Others were donated by Cambrian Nursery.

The ecology students, seventh and eighth graders, volunteered to plant the trees. Pacific Telephone Company equipment dug holes for the trees and U-Save Rockery donated a truckload of planting mix.

The eager class must wheelbarrow water to the holes, cut open the tins in which the trees are planted and stake them up when they get them into the ground.

And in 20 years, they'll be able to look with pride on their contribution to the Campbell scene.

A LOT MORE TO GO---Scott Hosford, Melissa Morasa and Rocky Salciccia remove one of the many trees which they are planting at Campbell Elementary School from a trailer. The trees were obtained by the Campbell JayCees for the future Rincon Park.

CAREFUL GETTING IT OUT---Michele Hatcher, Steve Stoffer, Scott Peters and Ed Newman remove a tree from its tin as they prepare to plant it on the edge of Campbell Elementary School.

DARTING AROUND

with Tom Carroll

An idea was fermented over the beer barrels at the Far-West Shoot-out in Laguna Beach. – A summer traveling league consisting of three teams from the Southern California Darts Assn. and three teams from our Northern California Darts Assn. This would make a six-team league that would require three trips to the other end of the state. SCDA's Captain Blob (Prexy Dick Mitruen) figures that this would work out to one trip a month for the three months of the Summer League.

The Blob even went further in figuring that the cost would be $180 per player. This is based on a round trip air fare of $33.00 plus $27.00 for overnight expenses.

The idea is to play the first half of the season using SCDA rules, e.g., five matches of two out of three games consisting of four doubles matches and a team match. The second half of the season will be played with Nor-Cal rules. Our standard weekly set of 10 singles games and 2 team games.

We have already heard from one team in Nor-Cal that is set to compete in this summer season. That is the Scarlet LaRue I team from Los Gatos. So far no word if there are any takers from the SCDA or any other interested Nor-Cal teams.

TOM FLEETWOOD DEFEATED

My counterpart in the SCDA, Competition Secretary Tom Fleetwood, went to the Cleveland Darter Clubs "Extravaganza Number One '72." Also in attendance was Barry Twomlow, former "News of the World" Champion.

The Clevelanders pitted the two together for an exhibition match. The comment was heard, "See that guy, he's from California, and when they come from that far away.. they got to be good!!!" Well, Barry took Tom in five straight games. All five games were won in 11 darts or less and the LOWEST away Barry shot with his three darts was a 96-away. Barry shot less than 50 darts to win the five games.

CLEVELAND TOURNEY

I should really be fair to Tom, he did pretty good in the tournament, itself. We have no report on how he did in the singles but he teamed with Norm Finley of Philadelphia for the doubles and tied for fifth. Then he and Norm joined the second place doubles finishers Joe Pacchinelli and Ray Fischer, also from Philly, to take the $200 first place prize in the four-man team game. So Tom won $62.50 for the weekend.

It is interesting to note that the team that finished second was composed of first place doubles finishers Dick Yost and Dan Valetto and the fourth place finishers Charles Young and Charles McDonald, all from Philly.

The winners in the singles were the same as at SCDA's North American Open last August, except they were reversed. Bob Thiede of Pennsauken, N.J. came in second this time with first going to Robin Varian of New Caanan, Conn.

TWO MOTHERS---Grace Nelson and Winifred Osborne practice their roles as Salome and Mary in the Lenten drama, "Two Mothers." The play will be presented in the Cambrian Park United Methodist Church by the Women's Society Drama Group.

Church presents Lenten dramas

The Lenten drama, "Eyes Upon the Cross" will be presented by the Women's Drama Society of the Cambrian Park United Methodist Church on Sunday, March 26 at 7:30 p.m.

The drama, written by Donald A. Mueller, is one of a series of short plays to be presented by the church group, which depict the events surrounding Christ's crucifixion through the eyes of His followers.

The other plays are "The Man Who Denied Him," "The Man Who Gave the Order" and "Two Mothers."

Refreshments will be served following the dramas, performed in the sanctuary of the church, Leigh Avenue and Gunston Way.

Childcare will be available.

BREAKFAST

The Orchard City Grange is sponsoring a breakfast in the Grange Hall, 109 N. First Ave. on Sunday, March 26, from 9 a.m. to 2 p.m.

Donation for the breakfast is $1.25.

DEBUT---Theater West Productions is making its debut at the Carriage House, Villa Montalvo, with the drama, "Children's House" on Fridays and Saturdays, March 31, April 1, 7, 8, 14, 15 at 8:30 p.m. Lorrie Shaw, center, dialogues with her grandmother, far left, played by Ruth Rosenthal and her teachers, Beverly Mathis and Kay Gray, in a scene from the play. These and other cast members are receiving guidance from Paul Gurev, director. Mina Lunt and Judith Swanson, co-producers, Paul Swanson, administrative co-ordinator and Phillip Lockwood, stage manager. For reservations phone 248-6988. Tickets are $2.50, adults, $1.25, students.

Community Players audition locals for "The Rainmaker"

Auditions for the Western comic romance, "The Rainmaker" will be held this weekend by the Community Players of Los Gatos-Saratoga, who begin performance of their current production, "We Have Always Lived in the Castle" on Friday, March 24 at 8:30 p.m.

Tryouts for the play, which requires a cast of one woman, (age 20 to 35) and six men (age 22 to 60), are scheduled for Saturday and Sunday, March 25 and 26 at 1 p.m. in the Saratoga Civic Theater, 13777 Fruitvale Ave., where performances are also given.

People interested in technical and backstage work are also invited to the auditions. Staff for the play is headed by Stan Wolf and assisted by Irma Jackson.

Written by N. Richard Nash, "The Rainmaker" centers on a western ranch threatened by drought and a girl whose father and two brothers are as worried about her becoming an "old maid" as they are about the dying cattle.

The problems resolve when a rainmaker who comes on the scene offers to coax torrents out of the heavens and brings real beauty and love to the girl.

"The Rainmaker" opens late in May and plays weekends until June 10.

Artists compete for scholarship

Teenaged artists have the opportunity to compete for a scholarship granted annually to high school students by the Artist's Guild of Santa Clara County.

Interested students may bring a minimum of 3 original works to the San Jose Fine Arts Gallery, 110 S. Market St. the weekend of April 7.

An award of $175 will be presented to the winning artist during a reception at the center on Sunday, April 9.

The 15th annual scholarship show is presented with the cooperation of area high school art teachers.

The winning work and a selected group of entries will be exhibited at the Gallery from April 11 to 19.

Family reunites for 70 year old

Joseph P. Aversente, 70, was surprised on his recent birthday when a champagne party hosted by his wife, Lee, in their home at 272 W. Sunnyoaks, became a family reunion.

Among the guests were all of Aversente's brothers and sisters, Mr. and Mrs. Vince Zunino, Mr. and Mrs. Albert Aversente, Mr. and Mrs. Ralph Perrotti, and John Aversente, all of San Jose.

Out of town relatives were Mr. and Mrs. Aldo Bravin of Richmond, sister; and Mr. and Mrs. Edmund Aversente, Sr. of Escalon, brother.

Other celebrants included the 70-year old's nephew, Mr. and Mrs. Edmund Aversente, Jr. of Concord and Mrs. Joseph Aversente's parents, Mr. and Mrs. Edward Alario.

Mr. and Mrs. Charles Wisler, the sister of Mrs. Joseph Aversente and her husband, were also present.

Woman's Club sponsors sale

The Country Woman's Club of Campbell will hold their annual "better than most" rummage sale at the clubhouse, 274 E. Campbell Avenue on Friday and Saturday, March 24 and 25, according to Mrs. Eldred Nelson, chairman.

The sale will start at 8:30 a.m. and will close at 4:30 p.m. both days. At 3 p.m. on Saturday a "shopping bag" sale will be held to clear the merchandise. Each bag will be sold for $1.

Mrs. Nelson is assisted by Mrs. Glenn DuBois and reports that the clothing offered is "lovely." An outdoor hammock is among the items being sold.

RITA LYNN MAYNE

Rita tells of engagement at dinner

A dinner party at the home of Mr. and Mrs. Jack Mayne, 905 Sweetbriar Dr. was the scene for the announcement of the engagement of their daughter, Rita Lynn Mayne, to David Hamilton Otth.

A 1965 graduate of Camden High and more recently psychology graduate of Pasadena Nazarene College, Rita is employed in Pasadena as a receptionist.

Her fiance, the son of Mr. and Mrs. Arthur Rabone, Yorba Linda, Calif., is an engineering graduate of the University of Florida, and plans to receive his master's degree in that field this summer.

He is now working for a jet propulsion lab in Pasadena.

Activities the couple share include teaching a Sunday School class at the First Church of the Nazarene and membership in a ski club.

They have set their wedding date for June 10 in the Cambrian Park Church of the Nazarene, San Jose.

COAT–DRESS --- Mrs. Roger Pedersen reveals a light spring coat-dress ensemble, with a turtle neck and a delicate pattern.

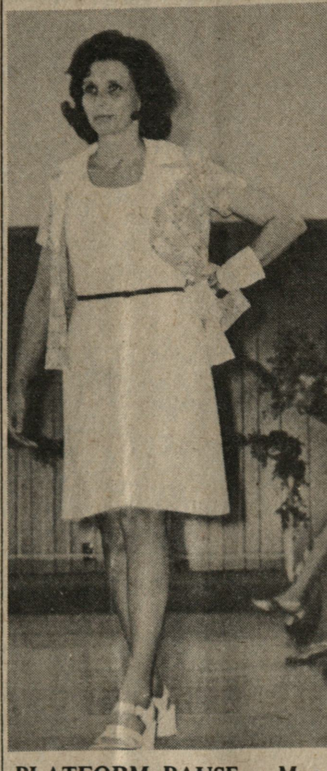
HELPING HAND---Stan Gadway offers a helping hand to Mrs. George Marvin, attired in a perky, peasant-look dress with braid trim, long sleeves and white collar.

FULL–LENGTH --- Elegant, but tailored is the look of this floor length, two piece outfit modeled by Mrs. Ken Sheets. The Canterbury House fashion was one of many shown at the Women's Fellowship Luncheon.

FOLK CONCERT

The Youth Fellowship of the Campbell Congregational Church is planning a folk music concert in the new Fellowship Hall on Friday, March 24 from 7:30 to 11:30 p.m.

PLAID JACKET--Mrs. Ray Brooks modeled a plaid blazer with accenting skirt at the recent fashion show–luncheon of the Women's Fellowship of the Congregational Church.



PLATFORM PAUSE --- Mrs. Don King pauses in her walk across the platform. She is displaying a casual, scoop neck dress enhanced with modified-plaid jacket.

Jr. high girls assist patients

Twenty-eight girls from Castro Junior High School are currently involved in the Youth Volunteer program of the American Red Cross.

The girl's duties vary from reading books and playing games with the patients to brushing their teeth and helping them eat.

Ten of the teenagers, who help at the Forest Avenue Convalescent Home, are Linda Kikuchi, Laura Pigula, Deanna Evans, Carmen Dickens, Debbie Exley, Catherine Glover, Liz Hall, Rita Hall, Carolyn Tice and Michelle May.

Young assistants at the San Tomas Convalescent Hospital are Cathy Ferguson, Christina Redden, Suzanne Smith and Linda Cartmill.

Kathy Elliott, a Prospect High student, is unit chairman for the junior highers helping at Campbell Elder Care.

Under Kathy's guidance are Kimberly Chaddock, Debbie Eliott, Karie Bundsen, Elizabeth DelBen, Dana Denham, Lisa Patterson, Margaret Roper, Kathleen Woodhouse, Kathleen Kiley, Debbie Montero, Martha McClellan, Debi Hart, Cecile Kuchar and Jennifer Roberts.

The young women were chosen, trained and placed under the direciton of Mrs. Lois Montesano, hospital chairman for the Red Cross.

YWCA schedules spring session

The Cambrian Center of the San Jose YWCA, 4343 Leigh Ave., San Jose, now has brochures available listing clubs, classes and activity groups for the spring session starting in April, according to Ruthadele Sarter, director.

The Cambrian Center, YWCA, has programs for both youth and adults, with emphasis on daytime activities for women until the end of the school term. Nursery is available for pre-school children of women in YW groups.

All women and girls may join the San Jose YWCA, which is a United Fund Agency. Men may participate in some activities as associates.

Talented teens vy for $1,000

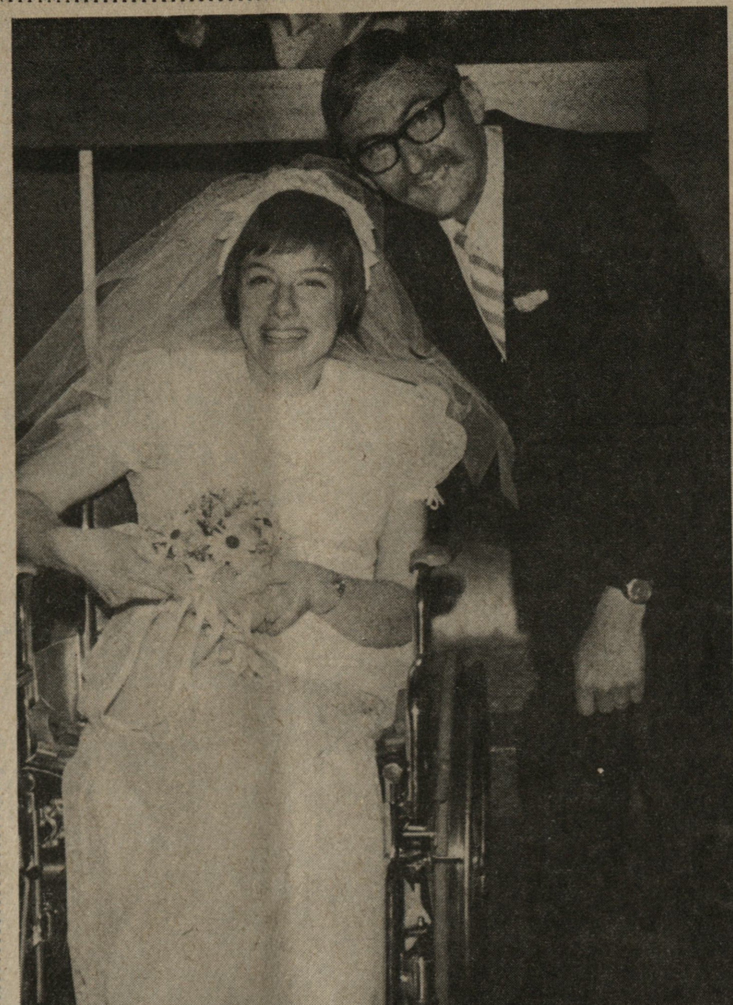
On Wednesday, March 22, four talented teens will be chosen out of 39 hopefuls to advance to the regional finals of the 25th annual Bank of America Achievement Awards competition which offers top prizes of $1,000.

Five judges were recently appointed to select a winner in each of four fields from a group of students already chosen by their high schools as outstanding, personally and scholastically.

Local competitors include David Highbaugh, Leigh High, and Cindy McKay, Campbell High; both in the fine arts division.

Susan Mitchell, Campbell High, and Jack Mommsen, Westmont High, are in the science and mathematics section.

David Rosenthal, Campbell High, is vying for honors in the liberal arts division and Frank Szczurko is a hopeful in the vocational arts category.



MR. and MRS. ROBERT LOWELL BENSON

Jane and Bob wed in small chapel

The harmonies of Lohengrin's "Love Story" filled the intimate Reconciliation Chapel at San Jose State College recently when Jane M. Myers and Robert Lowell Benson, both cerebral palsy victims, were united in ceremonies performed by Dr. Phillip Barrett.

The recent bride is a member of the handicapped organization, Indoor Sports Inc., of which Benson is a district director. Her groom is also a social worker for the Santa Clara County Welfare Department and a graduate of San Jose State College.

Both attended West Valley College.

The daughter of Mr. and Mrs. Harold B. Myers, Santa Clara, Jane was given in marriage by her father wearing a gown overlaid with white dotted swiss, trimmed by a flower motif and carrying a bouquet of tiny roses.

Serving the couple as maid of honor was Joan Marilyn Myers, sister of the bride. She wore a similar gown overlaid with pink dotted swiss.

Jon D. Benson of Loomis, Calif. was best man. William Rearick, organist, played the Lohengrin theme and "This is Love."

The groom, the son of Mr. and Mrs. Lowell J. Benson, 866 Briarwood Way, is a 1962 graduate of Camden High School, while his bride is a 1965 graduate of Buscher High.

Other affiliations of the new Mrs. Benson include Bethel 304, Job's Daughters, and the Red Cross Club.

The newlyweds left for a trip to southern California after a reception in the home of the bride's parents.

MANY MODELS --- Members of the Women's Fellowship of the Congregational Church group outside the church, wearing Canterbury House dresses they modeled for their group's fashion show–luncheon. The ladies are Berta Jensen, Nancy Holderby, Libby Pedersen, Barbara Sheets, Faith King, Phyllis Culp, Krista Kmetz, Ione Marvin and Evelyn Brooks.

OFFICIAL VISIT

Deputy Ruth Tubbs is making her official visit to Campbell Chapter 553, Order of Eastern Star on Friday, March 24 at 8 p.m. in the Odd Fellows Hall, 276 E. Campbell Ave.

Mrs. Fern Fritts is chairman of the evening. Thelma Fitch, worthy matron and Vince Volkey, worthy patron, will preside.

MODEL LADIES--Mrs. Herbert Lietz (in print) and Mrs. Eugene Riggs (pantsuit) were just two of the many models who provided a pleasant afternoon for guests of the Campbell Women's Service Club at their annual fashion show–luncheon at First United Methodist Church. Organ accompaniment was provided by George Flood.

4H CLUB MEMBERS

CAMPBELL 4-H

by Bret Bauer

On Friday, March 3, Campbell 4-H had their community meeting at Coventry School.

We had a nickel-a-dip potluck before the meeting and we made $28.40.

At the meeting we discussed the idea of walking in the Easter Parade and decided to do so. We also talked about adopting a grandparent from a convalescent hospital, and about our community pride project.

There were three gold award winners from our club at Favorite Food Day, Saturday, March 11.

They were Clarissa Bauer, Sharon Cassingham and Diane Neil.

Our club's blue award winners were Connie Bauer and Sandy and Judy Peer. Dena Stippich won a red award.

We are very proud of the girls who took part in that 4-H event.

Our next meeting will be Friday, April 7 at 7 p.m. at Coventry School.

EL SERENO 4-H

by Clare Carlson

At its monthly meeting, El Sereno learned of several outstanding awards given to one of its members, Randy Cone. His rabbits won the following trophies at the Bay Area Rabbit Breeders' Association Show, Pleasanton, Calif.: Best New Zealand White, Best New Zealand, and Best of Show. In addition, he won several other awards with his rabbits.

The 4-H meeting was held March 8. The following project reports were given: Horse, Terry Burrow; Off-to-a-Good-Start, Amy Renner; Share-the-Fun, Lorraine Carlson; Bowling, Richard Zurlo; Community Service, Glenn Greene; Trash Pick-up and Tree Planting, Donald Duffin. Beth Snouse reported on Jr. Leader Overnight. Lewis Zurlo announced plans for Entomology Field Day -- a seminar entitled (you guessed it), "Everything you always wanted to know about bugs but were afraid to ask."

Discussion was held on the feasibility of a Father-Son event. The following committees were appointed: Father-Son Event; Fund-Raising; Senior Citizens; and Speech Contest.

El Sereno was invited to send several demonstrations to the El Gato PTA meeting, which was accepted.

Following the business meeting, a demonstration on horse markings entitled "Stars and Stripes Forever" was given by Adele Carlson and Amy Renner. Results of the baking contest were: girls, 1st, Anna Roberts; 2nd, Marjorie Hill; 3rd, Lorraine Carlson. For the boys, 1st, Lewis Zurlo.

Obituaries

MAGGIE NOONKESTER

Mrs. Maggie Noonkester, 91, of 121 Victor Ave., died in Campbell Community Hospital last week.

Mrs. Noonkester, a native of Texas, had lived in California for the past 44 years.

Survivors include three children, Dee Noonkester and Mrs. Lola Coffey of Campbell; Sam, of Willets, California and Howard of Harlingen, Texas. A brother, W. H. Newton of Brownwood, Texas, also survives.

Mrs. Noonkester was the grandmother of 18, the great-grandmother of 39 and the great-great grandmother of six.

Services were conducted Saturday, March 18 at 2 p.m. by Campbell Memorial Chapel. Burial was in Mission City Memorial Park.

Campbell High Orchestra performs Thursday night

Selections from the Broadway musical, "Oliver" will be performed alongside classical works by Handel and Schumann during Thursday night's spring concert of the Campbell High School Orchestra.

William Perkins, director, will lead the orchestra in concert at 8 p.m. Thursday, March in the Campbell High auditorium.

Featured performers include two students planning careers in music, Monica Bianchi, pianist and harpsichord player and Alden Skinner, organist.

They will flex their fingers in the Nelhybel's Passacagalia and Handel's Organ Concerto No. 2, respectively.

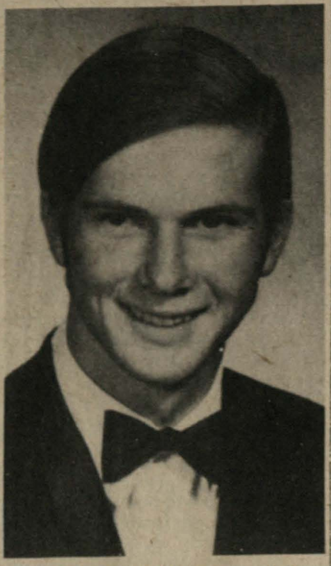
Other talents in the spotlight will be violist Martin Lee and cellist Karen Hastings, both members of the San Jose Youth Symphony and the all-state Honor Orchestra.

John Rowland, concert master, will help the orchestra tune for its varied program, which also includes a contemporary orchestral work by Vaclav Nelhybel, and pieces by Corelli and Saint-Saens.

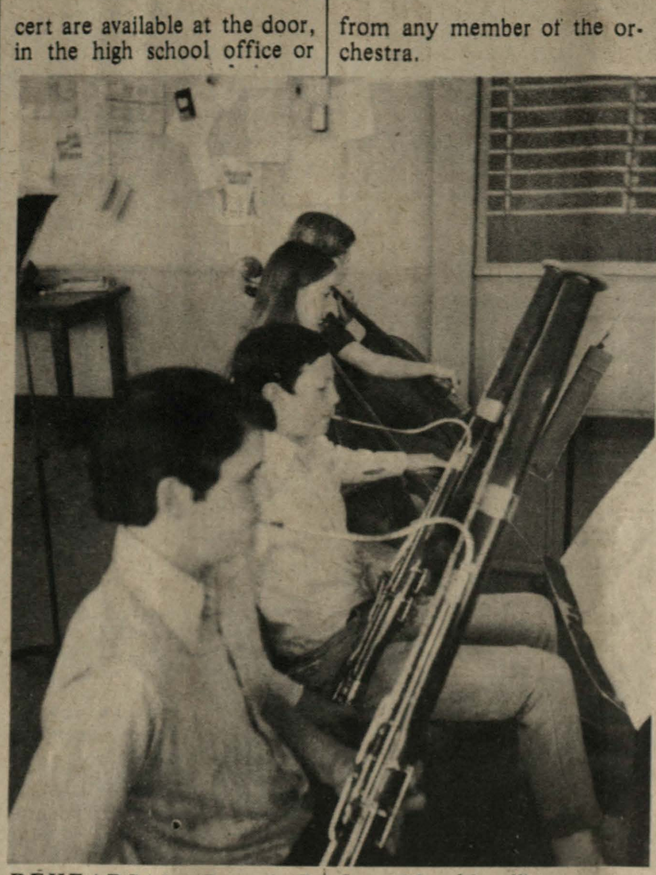
Guests at the concert have the chance to win as a door prize a portable micro-mini bike valued at $200.

The innovative door prize was donated to the orchestra by Mr. and Mrs. D. L. Rogers of Campbell, whose daughter, Donna, is one of the group's viola players.

Tickets for the spring concert are available at the door, in the high school office or from any member of the orchestra.



CONCERT MASTER --- John Rowland, concert master of the Campbell High Orchestra, will help the group get a tuneful start in the spring concert they are presenting on Thursday, March 23.



REHEARSAL---Campbell High orchestra members, Steve Oravetz and Mark Walker, bassoonists and Gina Evans and Janet Bianchi, cellists, prepare for their concert Thursday evening.

KEYBOARD ARTIST---Alden Skinner, Campbell High student planning a career in music, will play the organ which was loaned for the occasion in the school orchestra's upcoming spring concert. He will solo with "Organ Concerto No. 2 by Handel" and "Fanfare" by Richard Purvis.

PHARMACY PHACTS

By

Blaine

Heart attacks claim hundreds of thousands of lives yearly, and many die because they don't recognize symptoms, and fail to seek help in time.

* * *

Stuttering is very common in young children, and usually goes away without specific treatment.

* * *

By examining about 60 hairs from a patient's head, doctors can detect protein deficiency in the rest of the body.

* * *

The Chinese practice of acupuncture to relieve pain and cure illness consists of inserting needles in the skin at any of 365 points on the body.

* * *

Transplanting a brain from one person to another is not now possible and probably never will be, according to accepted medical opinion.

Schools vie Saturday in track meet

All eight of the high schools in the Campbell Union High School District are entered in the eleventh annual Hill-Kiwanis Invitational track meet that will be held Saturday, March 25, at San Jose City College.

A record number of entries, including for the first time three San Francisco high schools, will be competing. More than 2100 individual entries are expected for the 25 track and field events.

Gunn High School of Palo Also won the meet last year replacing Los Altos, the perennial meet champion.

Field events are scheduled to start at 10 a.m. with the first track event at 10:30 a.m.

Boys age 13, 14 signup to play

Thirteen and fourteen-year-old boys interested in playing ball with the Cambrian Park Pony League may sign up on Saturday, March 25 from 10 a.m. to noon at Ida Price School, on Curtner east of New Jersey Avenue.

Parents should accompany their boys to the signups and bring birth certificates.

The registration fee is $15 ($5 deposit).

League tryouts will be held Saturday, April 8 and 15 in the Ida Price Pony League Field.

Boys age 13 meet from 10 a.m. to noon both days and 14-year-olds gather 1 to 3 p.m.

For more information on the league, which begins playing Saturday, May 20, phone 377-7360.

PRESIDENT-ELECT

Rev. Harry L. Twining, Jr., of the Saratoga Avenue Baptist Church, was elected president of the Conservative Baptist Association of Northern California at the group's recent 23rd annual meetings.

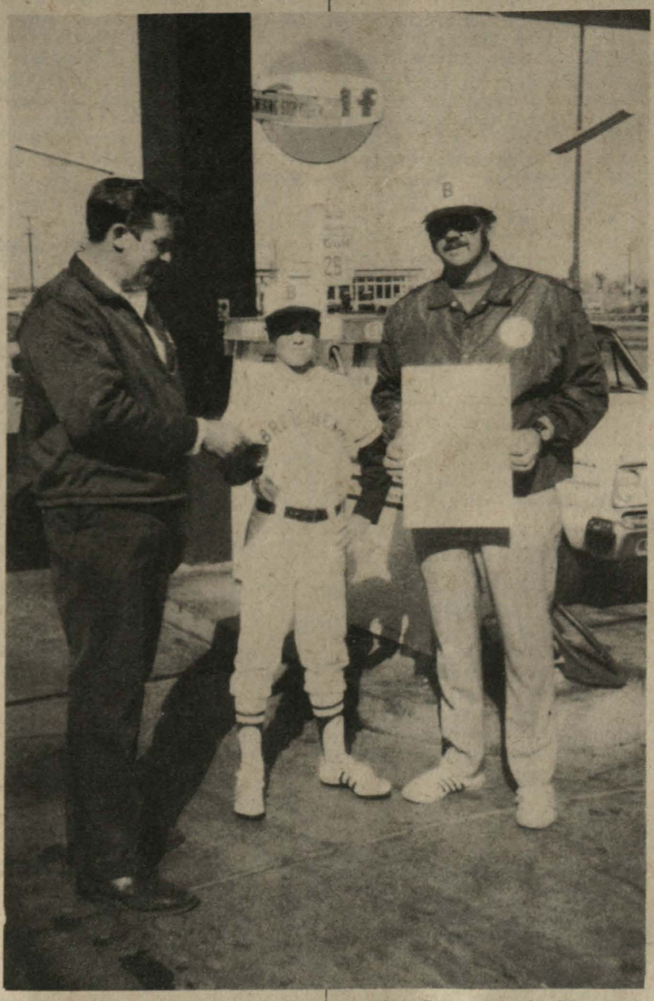
In other business at the conference, held at the Los Gatos Calvary Baptist Church, a budget of $177,000 was adopted.

Merchants help Little League movie benefit

Twenty local merchants are furnishing discount tickets to youngsters to attend the Campbell Little League's annual Easter vacation matinee at the PruneYard Cinemas.

The benefit performance will be held at 10 a.m. on Monday, March 27. Merchants who are offering tickets which will entitle the bearer to a 75¢ admission include: The Fly Trap, Irish Washerwoman, Charlie Rose Baseball Equipment, Sunnyoaks 7-11, Royal Brass, Bumbleberry Pies, Ernie's Liquors, Round Table Pizza, Fiesta Bowling Lanes, West Valley TV, Maple Leaf Liquor, Aero Pharmacy, Campbell Plaza Bottle Shop, Lonnie's Texas, Fontanetti's Sporting Goods, John Frick Shoes, David Faight Shoes, Lee's Drugs, D's Gulf Service and Billy Wilson's Bottle Shop.

Little Leaguers have started season practice, with opening day set for April 22.



MATINEE TICKET --- D. D. Dorman, left, owner of D's Automotive, gives Mark Izatt, a member of the Breuner's Little League team, a discount ticket to attend the Little League's benefit matinee on Monday, March 27 at 10 a.m. at the PruneYard Cinemas. Lynn Hemmings, sixth grade student at Bohnett School is one of over 700 area students entering projects in the 12th annual Valley Science Fair being held through Saturday in the Santa Clara County Fairgrounds.

"Pollution Solution" is the title of an experiment with pure snow water, Lynn's entry in the ecology-themed fair.

Nearly 150 judges are today evaluating student exhibits and papers in fields from computer technology to scientific graphic arts.

Winners will be awarded during ceremonies at 7:30 p.m., Saturday, March 25.

The fair will be open to the public free of charge Saturday, from 9 a.m. to 7 p.m.

Grand prize winners chosen from among senior division entrants by Thursday and Friday-night interviews with a panel of judges will be eligible to compete this May at the International Science and Engineering Fair in New Orleans, La.

Other awards include two $600 work-fellowships at NASA, an ecology flight, lessons in aerial photography, a back-pack trip into the high Sierras, a week with a park ranger, science books, and subscriptions to scientific magazines.

LEGAL NOTICE

NOTICE OF IMPROVEMENT SANITARY SEWERAGE PROJECT NO. 1972-1

NOTICE IS HEREBY GIVEN that on the 9th day of March, 1972, the Board of Directors of County Sanitation District No. 4 of Santa Clara County, California, adopted its Resolution of Intention No. 72.3.31, wherein it did declare that in its opinion the public interest and convenience required and that it was the intention of said Board to order the acquisitions and improvements in and for said District as more particularly described in Exhibit "A" hereto attached and incorporated herein by reference.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Board of Directors of said District and on file for public inspection in the office of the District Secretary.

Notice is hereby given of the fact that in many cases said work and improvement will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Board, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the District Secretary, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The descriptions of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

The estimated cost of the project is $104,307, of which an estimated $23,954 will be contributed by the District.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed 7% per annum, will be issued in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen years from the second day of July next succeeding ten months from their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the District Secretary.

Notice is further given that the District Engineer, pursuant to said Act and said Resolution of Intention adopted pursuant thereto, did, on March 9, 1972, file with the District Secretary his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, and maps and descriptions, and said Board did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report stand as the report for the purpose of all subsequent proceedings had pursuant to said Resolution of Intention.

NOTICE IS FURTHER GIVEN that Thursday, the 13th day of April, 1972, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Board, 100 East Sunnyoaks Avenue, Campbell, California, are the time and place appointed and fixed by said Board when and where it will consider and finally determine whether the public interest and convenience require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the District Secretary at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions, for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the District Secretary.

Dated: March 9, 1972.
/s/ DeLora Spence
District Secretary, County Sanitation, District No. 4 of Santa Clara County

Second payment of county property tax hits April 10

There are still unpaid real estate taxes amounting to over $150,000,000, according to Edward N. Glaeser, Santa Clara County Director of Finance. These taxes are now due and payable and must be paid by April 10, 1972 to avoid payment of the 6% penalty.

If you have not received your tax bill or by chance have misplaced it, call 299-2241 to obtain a bill so that your taxes will be paid on or before April 10k Glaeser said.

Failure to receive a tax bill does not relieve the property owner of the payment of penalty if the taxes become delinquent. If a bank or loan company pays your taxes you need not make a request.

Glaeser explained that the majority of tax delinquencies occur during the first year of ownership of property. If you are a new owner, you can determine what taxes are paid by checking your escrow papers.

Be sure you understand the following three important points:

1. That the second installment taxes may be unpaid because only the first installment was paid during escrow.

2. Whether the property owner or his lending agency is to pay his taxes.

3. That property is subject to taxes even if a bill has not been received.

The Tax Collector's office under L.E. Engeman, Assistant Finance Director, suggests that you mail your payment several days prior to April 10 to assure a postmark on or before April 10, 1972.

Payments postmarked after April 10 will be returned to the taxpayer and will require the additional payment of the six percent penalty and $3.00 cost per parcel in accordance with State Law.

FILES FOR CONGRESS---Mrs. Elaine Rosendahl, of Cupertino, a long-time member of the Cupertino school board, has filed for the Democratic nomination for congress in the 10th congressional district, which includes Campbell.

Her husband, Roy, is a teacher at Homestead High School in the Fremont district and they have two daughters, 21 and 19. The 10th district has long been represented by U.S. Rep. Charles Gubser, Republican, of Gilroy.

Alaska, with a coast line of about 6,600 miles, has the highest drowning rate in this country with 12.1 per 100,000 persons.

HEROIC ACTION---Fireman Apprentice John T. Reilly (left) of Campbell and Fireman Apprentice Dennis E. Phillips, of Milpitas, of the United States Coast Guard, aided in the extinguishing of flames on a burning tanker.

Campbell Coast Guardsman receives praise for heroism

Two California State Coast Guardsmen, one from Campbell and one from Milpitas, who boarded a burning tanker at sea some 700 miles southwest of the Azores and helped extinguish the flames were praised for their actions on their return last week to Governors Island, N.Y., homeport of their ship, the 378-foot Coast Guard cutter Morgenthau.

"Your acts of bravery," said Coast Guard Captain Bainbridge B. Leland, Deputy Commander of the Coast Guard's Eastern Area command under whose control the cutter was operating at the time, "are in the highest traditions of the Coast Guard and should serve as an example to all of us."

The two, who were part of a 21-man firefighting team, were Fireman Apprentice John T. Reilly, 19, son of Mr. and Mrs. John P. Reilly of 3059 Via Milano, Campbell; and Fireman Apprentice Dennis E. Phillips, 18, son of Mr. and Mrs. Denver Phillips of 1733 Crater Lake Ave., Milpitas.

The tanker they boarded was the 629-foot "Golden Drake" which was on a trip from Venezuela to Antwerp, Belgium with a full load of crude oil. Around 9 a.m., January 28th, it began radioing an "SOS" reporting that it had experienced an explosion and was afire. A nearby merchant vessel, the Venezuelan-registered motor vessel "Caracus" picked up the call for help and within four hours was on scene. The Caracus rescued all but two of the crewmen of the Golden Drake.

The Morgenthau was at sea about 450 miles away from the Golden Drake when it intercepted the distress call and reported it to Coast Guard rescue controllers at Eastern Area headquarters on Governors Island. After reviewing the developments, senior officials told the cutter to go to the Golden Drake.

According to reports from the cutter, all that was visible to the Morgenthau as it came onto the scene around 2:30 p.m. on January 29th was smoke from the Golden Drake. The cutter reported that they believed the fire could be put out and Governors Island officials told the Morgenthau to put their men aboard. It was only after the fire party boarded the tanker and opened hatch covers to storage tanks in the forward part of the ship that they found open flames.

Both Phillips and Reilly recalled the problems they had fighting the "reflashes" (parts of the ship which suddenly reignited) during their many hours of dealing with the blaze, some members of the team stayed on the Golden Drake for 13 hours without food or rest.

Board okays addition

Quito's school office building that was destroyed by fire will be expanded by 400 square feet when it is rebuilt, the trustees of the Campbell Union (elementary) School District decided last Thursday night.

The expansion is expected to cost about $20,000 and will be paid from bond funds that are available. The replacement cost for the part that was burned will be $51,000 which will be paid for by the fire insurance. The total addition will be 2900 square feet.

The board also approved the granting of an easement to Mr. and Mrs. Melvin Toews, who recently purchased a landlocked parcel, adjacent to the Moorpark School, from the Division of Highways.

The easement from the district of 30-feet was in exchange for an easement from the Toews for 12-feet along the westerly side. The Toews plan to conduct a nursery on the property and needed access to it.

New Yellowstone stamp marks parks centennial

Old Faithful in six colors is the central theme of a jumbo-sized postage stamp that went on sale last Thursday, at the post office.

The Yellowstone 8-cent stamp marks the centennial of the National Parks System and is the first 1972 commemorative relating to a site in the West.

According to Postmaster W.E. Jennings, the stamp is the first of a series, in five different denominations, honoring the National Parks System.

Yellowstone Park was the first national park in the world. It led the way to the present-day parks system that now encompasses 270 sites covering 46,000 square miles, with more than 200 million visitors each year.

Old Faithful was first discovered in 1870 and since then has spouted on an average of about every 65 minutes. It shoots 120 to 170 feet in the air. Each display lasts about four minutes.

Other stamps in the National Parks Centennial Series will include an 11-cent stamp for the City of Refuge in Hawaii and a 15-cent issue for Alaska's Mt. McKinley. Cape Hatteras, North Carolina will be commemorated by a two-cent stamp and Wolf Trap Farm Park in Virginia by a six-cent stamp.

ILONA SCORES

Ilona Cascino, the ten-year old who won a trophy as representative of the PruneYard in a recent contest, scored another "first" recently when she won the acrobatics class at the Santa Clara County Pageant Association's Talent Showcase '72 held at Sunnyvale High School. Ilona is the daughter of Mr. and Mrs. Mike Cascino and attends Capri School.

PARADE PARTICIPANTS---Among the many "marching units" in the First Annual Easter Parade on April 1 will be the "training dogs" of the Campbell 4-H, led by "Mogul" a Chihuahua mix and his owner, David Cassingham, a freshman at Westmont High School. The little dog is wearing a 4-H hat and tie made by David's sister, Sharon Cassingham, a fifth grader at Forest Hill School. The 4-Hers train every Tuesday afternoon under the direction of Mrs. Marilyn Caddell.

PAINS

Pinched nerves may be the cause of many painful conditions. When a spinal segment is not in its normal position, it partly closes nerve openings between the vertebrae, which in turn causes the nerve to be pinched. This will cause a reduction in the flow of nerve energy to some part of the body. When this occurs the organs and tissues which the pinched nerve supply cannot function properly . . . pain and susceptibility to disease will result.

That is why the Chiropractic profession has always stated that to maintain GOOD HEALTH and FREEDOM from DISEASE, all spinal misalignments should be promptly checked and corrected.

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS
COUNTY SANITATION DISTRICT NO. 4 of SANTA CLARA COUNTY, CALIFORNIA
SANITARY SEWERAGE PROJECT NO. 1972-1
UNITS 1 and 2

Pursuant to the Municipal Improvement Act of 1913, and the resolution directing this notice adopted on March 9, 1972, by the Board of Directors of the County Sanitation District No. 4 of Santa Clara County, said Board invites sealed proposals or bids for the construction of sanitary sewer mains, wye branches, risers, manholes and sewer laterals, as more particularly described in Resolution of Intention No. 72.3.31, adopted by said Board on March 9, 1972, which resolutions are on file in the office of the District Secretary and to which reference is hereby expressly made for a more particular description of that portion of the work to be done which is included in the assessment district.

All of said work is to be done at the places and in the particular locations, of the forms, sizes, dimensions and materials, and to the lines, grades and elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Board on March 9, 1972. Bids are solicited for work Units 1 and 2 as shown in said plans and specifications.

Payments will be made in cash by said District to the Contractor in accordance with the provisions of the specifications, and on itemized estimates duly certified and approved by the District Manager and Engineer submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the Contractor. The District will advance the necessary funds to make the progress payments from the General Fund pending receipt of funds from the sale of bonds to represent unpaid assessments. This provision supersedes any provision to the contrary set forth in subparagraph (a) of Paragraph 37 of Part II of the Special Conditions. District shall retain ten percent (10%) of the amount of each such estimate, and the accumulation of said amounts so retained from said progressive payments will be paid to said Contractor thirty-five (35) days after the completion and acceptance of said work by said District Manager and Engineer and said Board of Directors.

Notice is hereby given that on March 9, 1972, the Board adopted the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which is available to any interested party on request at the principal office of the District at 100 East Sunnyoaks Avenue (P.O. Box 368) Campbell, California 95008.

All proposals or bids shall be accompanied by cash, a cashier's or certified check payable to the order of the District Secretary, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said District signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into the contract with the District.

The Contractor shall furnish a surety bond in an amount equal to one hundred percent (100%) of the Contract price as security for the faithful performance of this Contract and shall furnish a separate bond in an amount at least equal to one hundred percent (100%) of the Contract price as security for the payment of all persons performing labor and furnishing materials in connection with this Contract.

Said sealed proposals shall be delivered to the District Manager and Engineer on or before 2:00 o'clock p.m. on Tuesday, the 11th day of April, 1972, at 100 East Sunnyoaks Avenue, P.O. Box 368, Campbell, California, 95008, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour. Said bids will be referred to and considered by the Board at its meeting at 8:00 o'clock p.m. on Thursday, the 13th day of April, 1972.

A copy of the plans and specifications may be obtained from County Sanitation District No. 4, 100 East Sunnyoaks Avenue, P.O. Box 368, Campbell, California, 95008, upon deposit therefor of $15.00, $10.00 of which will be refunded if said plans and specifications are returned within 15 days after date of bid opening.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

S.D. No. 4
Project San Tomas V
Parcel No. 2835-23B EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Seventy Thousand Dollars ($70,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Title Insurance and Trust Co., 110 W. Taylor Street, San Jose, escrow number 341327. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Seven Thousand Dollars ($7,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may by determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on April 26, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., April 26, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on March 7, 1972, by the following vote:
AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese.
NOES: Supervisors: None
ABSENT: Supervisors: None
Charles A. Quinn

EXHIBIT "A"

Parcel "A" as shown on that certain record of survey entitled "Record of Survey of the Lands of the County of Santa Clara in excess of Lands Required For Roadway Purposes", and filed for record in the office of the Recorder of the County of Santa Clara, State of California in Book 248 of Maps at page 23 and containing approximately 2.048 acres of land.

Excepting and reserving unto the County of Santa Clara any and all rights of ingress to or egress from the land herein conveyed over and across the following described lines thereof; South 52° 24' 20" West 43.21 feet, North 73° 51' 39" West 164.97 feet, North 65° 14' 53" West 287.90 feet, North 41° 16' 52" West 73.52 feet, the South boundary.

THREE GENERATIONS---The faces of three bewhiskered Schnauzers, Bonnie, grandmother, Stormy, mother and Flirt, daughter, are caught in this oil portrait by Myrtle Hawkins, entitled "Three Generations." The painting of the three dogs hangs as a focal point in the living room of Mrs. Ruth Burns, who owned and bred the dogs.

WHICH WAY? -- Mrs. Ruth Burns checks the leashes on her three standard Schnauzers as she stands outside her Campbell home. The dogs, Stormy, Sidney and Flirt, look like they're ready to trot off---in three opposite directions!

SHOWING FLIRT--Champion Sandbaakel's Totooe's Flirt poses in elegant show-style at the recent San Joaquin Kennel Club Show, in Stockton. Judge of the show holds ribbons won by the Schnauzer, owned by Mrs. Ruth Burns, Campbell.

Ruth Burns, 1097 Shady Dale Ave., has always been a showgirl.

For the past 14 years the outgoing dog breeder, formerly a songstress on the Paramount circuit, has made it her business to show a wide variety, from English Setters to Maltese Terriers.

A native of Granite Falls, Minn., Mrs. Burns became well acquainted with many different animals on the mid-west farm where she grew up.

Don't be misled when she says "I've bred dogs practically all my life."

Though dog breeding and showing has frequently been a hobby for the medium height, gray-haired woman, she has filled the years of her often-active life with many other hobbies and vocations.

Seated near a front window in her ranch-style Campbell home, Mrs. Burns fingers the yellowed surfaces of old newspaper clippings.

Beneath the smiling photo of a pretty young girl with a "Flapper" hairdo is a story telling of the young entertainer's success in landing a $75 a week singing job, at that time a plush salary.

For several years after high school Mrs. Burns attended a midwestern school of music. She soon began touring with the Paramount Unit which entertained at theaters throughout the midwest. For a time she was even on the same route as Ginger Rogers.

Though she left the Paramount Unit to marry, Mrs. Burns did work again as an entertainer, along with a potpourri of other jobs, including cosmetics and sales.

Today Mrs. Burns keeps touch with the spirit and competition of her early years in show business through her hobby of breeding and showing Standard Schnauzers, the medium size breed of the stocky, terrier-like German dogs.

For her first Standard Schnauzer, Mrs. Burns purchased Champion Stone Pine Nickel from Mrs. Charles Aronstam, an Atherton friend, and bred it with Rick N' Pat's Royal Rogue, for several years chosen top of breed in the nation.

Since that time she has raised four litters and seen many of her dogs become champions.

Sandbakkels Kaptain Olaf, the Schnauzer which she sold to Mrs. McCabe, a friend in Carmel, won its championship several years ago and has since garnered best of breed at shows in Santa Rosa, Cow Palace and the recent competition in the Santa Clara County Fairgrounds.

Even more awards and ribbons have been won by Bonnie, Stormy and Flirt, three champions she kept at home.

A visitor to her bush-shaded home would soon guess that Mrs. Burns is herself one of a special breed,–genuine doglover. Dominating the one wall of her living room is "The Three Generations", an oil portrait of her Champions, Bonnie (now deceased), Stormy and Flirt.

Gleaming in nooks and crannies along other walls are steins, awards and trophies from numerous dog shows.

Smiling, Mrs. Burns explains that she has to put most of her prizes in storage, "Just don't have room for them all." Though Bonnie has died, Mrs. Burns still shows the gentle, ten-year-old Stormy and Flirt.

And she still has the challenge of grooming Sidney, a young male Schnauzer, for his as yet un-won championship.

CHOMPING CHAMPS---Beaming winners of a Kirkwood Plaza pie-eating contest are Brent Irwin, first; Phil Fales, second; and Gary Collins, third place winner in the 10-12 age group. The pie-eating contest was held in connection with a Valentine Give-away sponsored by the Plaza Merchants Association. Mrs. S. Dregnacz of 1172 Silver Creek Drive won an RCA portable TV in the recent drawing.

West Valley College students continue to improve grades

West Valley College students have continued to improve their academic standing, according to a report released last week by Jerry Girdner, dean of student personnel services.

A total of 73 students earned a 4.00 grade point average (straight A) in 12 or more units this past fall semester as compared with 52 in the fall of 170.

Girdner also reported the average g.p.a. for all students enrolled at the college (12,369 total in fall 1971 with 7,440 day and 4,929 extended day) rose to 2.77 this past fall as compared to 2.70 in the fall of 1970.

Day students made the biggest gain with their average g.p.a. increasing from 2.66 (fall '70) to 2.74. Extended day students increased from 2.83 to 2.85.

He also noted that the number of students placed on probation, continued probation or disqualified from the college had dropped from 11 per cent (fall '70) to only 8.3 per cent this past fall.

THE HOSPITAL

After seeing "The Hospital" starring George C. Scott, you have the definite feeling that you don't ever want to enter the doors of a hospital again.

The film, which has been showing at Century 24 Theatre in San Jose, is a frantically pitched drama about a suicidal Chief of Staff of a New York medical center. Scott, who last year set the Motion Picture Academy on its ear by condemning the Academy Awards and refusing to accept his Oscar for "Patton", gives another performance worthy of an Academy Award. He has been nominated again this year for best actor. Perhaps this time he won't turn down the honor, if he gets it. Who knows, maybe he will even accept his award which was left over from last year. No one can ever predict what Scott is going to do next. He's a fierce individualist and in Hollywood, that's the most difficult role any actor can play.

"The Hospital" was written by Paddy Chayefsky, who has also received an Academy Award nomination for Best Original Story and Screenplay. While the plot is miniscule, the actions and reactions of the people who find themselves patients in this madhouse hospital are tragic and wierdly enough, very funny.

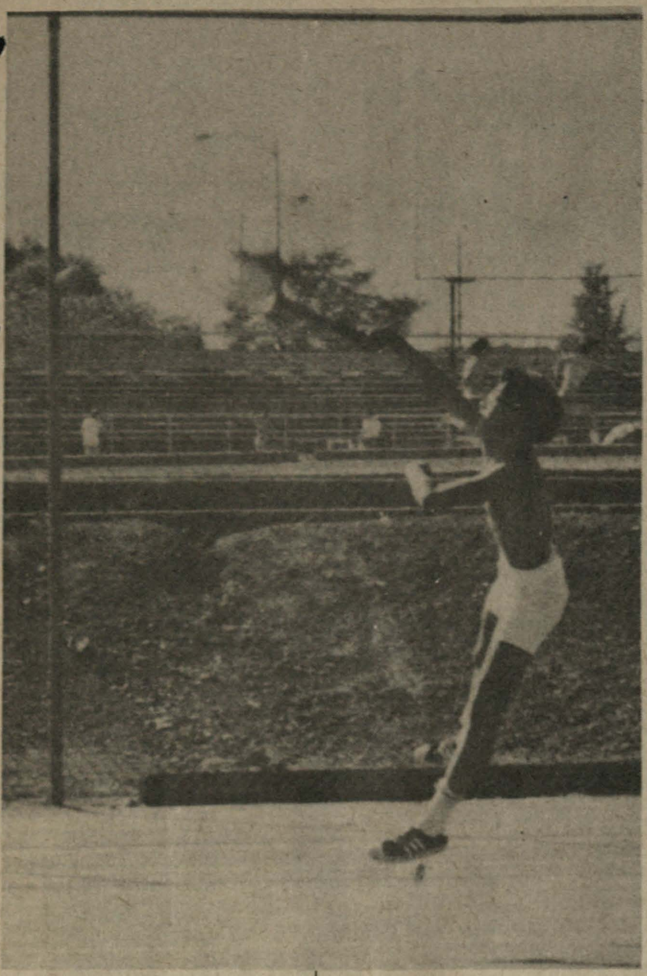
In the movie, Scott has just gone through a divorce and he is entertaining thoughts of killing himself with potassium. He wants the family to get his insurance money, so he decides to give himself just enough potassium so that he will have time to dispose of the hypodermic needle. The strange thing is that no one in the audience ever believes for a minute that he has any intention of killing himself. He always seems to be too busy with the problems of the hospital to commit suicide.

Doctors and nurses start dying right and left and no one can figure out why. Patients who go into the hospital for routine check-ups come out of the place at death's door...if they come out at all! An Indian performs rituals in the room of a patient, trying to repair the damage which the doctors and nurses have done. It's about at this time that the Chief of Staff begins to play detective. Telling you any more about the movie would probably ruin it for you, so I'll restrain myself.

"The Hospital" is immensely entertaining and fast-moving. It seems to be very short, however. You hardly get into your seat and the film takes off at 700 miles an hour and then suddenly, you're dropped back into your seat, asking yourself where you've been. Perhaps the film moves too fast, because it's difficult to keep up with all the action.

I'd recommend the movie for doctors and nurses and anyone else who has ever been a patient (or who plans to be one) in a hospital. I guess that includes most of us. It would be a mess if we all came out of the theater as confirmed faith healers!

MULTIPLE SCLEROSIS SOCIETY---Newly elected officers on the Board of Trustees for the Santa Clara County Multiple Sclerosis Society include, John Chargin, of Campbell, second vice-chairman; Mrs. Joseph Spaziani, first woman to serve as chairman; Mrs. Iris Bagley, secretary, and Edward Buttyan, first vice chairman. Randall E. Carlson and Mrs. Dorothy Trevethan, both of Campbell, are among the new board members. Mrs. William Plog of Campbell received the National Hope Chest, an award honoring her outstanding volunteer service.



IN THE AIR---Simon Wong, third man on the Camden Varsity tennis team, smashes a return back as he rushes the net. Simon's league record is 2-0, winning against Westmont and Campbell.

TENNIS TEAM DROPS FIRST LEAGUE GAME

Camden's tennis team opened their league competition last Tuesday, March 14 on Westmont ground and lost in the Varsity division, 2-5.

The two varsity players that won their matches were Jeff Addington, playing first man and winning 6-3, 6-2 and Simon Wong, playing third man, winning 6-3, 5-7 and 6-4.

The J.V. team rallied with a 3-2 win later on that day, winning three out of five doubles matches that they played for the victory. Winning their matches were: Dave Heath and Don Benson, 6-3, 3-6 and 6-4, Mark Germain and Keven Wood, 7-5, 6-3 and Jim Birtola and Greg Hefner who split their sets with Chuck Johnstone, winning 7-5 and 7-5.

CAMDEN HIGH HOSTS POPS CONCERT

by Roberta Michaels and Linda Porazynski

Camden High's music department hosted a Pops Concert entitled "Saint Patrick's Odyssey" last Friday, March 17 from 8 to approximately 9:15 that night in the cafeteria.

Starting of the program was a musical selection from the theme 2001 Space Odyssey.

Several popular pieces were played: including songs from "Butch Cassidy and the Sundance Kid", "House of the Rising Sun", and selections from "Hair."

Another highlight of the evening's entertainment was "Flute Cocktail," a flute trio played by Jeanette Preston, Sharon Watts and Diane Vazquez, changing the mood from pop to jazz.

Keeping with the jazz beat, the band played "St. Louis Blues." Combining the rock and jazz mood, "Day's Of Wine and Roses" was played.

Also featured in the Pops Concert was the Camden High Pep Band.

All the money derived from the music concert will go toward the repair of band instruments.

STUDENTS TAKE OVER FACULTY JOBS FOR A DAY

"Student Government Day was very informative for all those involved. It was interesting to see just how much our administrators do. We were barely able to touch the surface of their jobs in one morning but I'm sure we all respect the administrators a little more," said Larry Kondo, ASB President and tentatively speaking, Principal for a day.

A day designated as "Student Government Day" (S.G.D.) at Camden High School was set aside last Tuesday, March 14. On this day selected council members met to further understanding and communication.

At the start of the program at 8:30 Tuesday, all council members met with their assigned administrators, which were as follows:

Principal, Mr. Crawford---Larry Kondo, Director of Education, Miss Bull---Paula Goetz; Counselor, Mr. Benner---Eleanor Clupny; Dean of Boys, Mr. Lee---Jim Pope; Activities Director, Mr. Purcell---Jeff Cunningham; Dean of Girls, Miss. Lathrop---Sue Finnell; Librarian, Mrs. Gould---Pat Gonzalez; Counselor, Mrs. Pate---Wes Toland; Counselor, Dr. Denniston---Dennis Murphy; Counselor Mr. Willson---Cindy Sliter.

On this day these ten students tentatively speaking, took over their counterpart administrators' jobs. This helped in giving the students a chance to get a better understanding of how the job they took over was done and also get involved with the school more.

Next on the program was a staff meeting at 10 a.m. in Room 5. The ten administrators usually meet once a week to discuss the different problems over and discuss the upcoming week's agenda.

Ending the program was a luncheon which was provided by Mrs. Strickler's Advanced Foods classes. The "St. Patrick's Luncheon" which began at 11:45 a.m. included creamy pineapple salad, chicken cacciatorie over rice, green beans with bacon, yeast rolls, butter balls, minted chocolate roll and lemonade and coffee.

CAMBRIAN AREA MUSIC FESTIVAL

by Roberta Michaels

Camden, Houge, and Ida Price bands performed in a concert March 7 in the Camden gym, for the Cambrian Area Music Festival.

This was the second annual get-together for the bands. Pieces performed were "Born Free," arranged by W. Beeler and a piece by Clara Grundman, "A Walking Tune."

Ida Price, and Houge played separately as well as together in this evening of entertainment. Also featured that night was the Cambrian District Honor Orchestra and Drum Corps.

Pieces performed or played by the Camden High band were "High Tor", "Bacharach and David Medly", and "Cha Cha For Band."

Shortly before the Musical Festival there were two practices to have everyone "get it together."

COUGAR TENNIS TEAM RALLIES BACK FOR A WIN

Camden's varsity tennis team rallied back from the previous loss against Westmont early in the week to win their match against Campbell, March 16, Thursday, on cougar territory for the 5-2 victory.

Winning in the varsity competition were Simon Wong, third man, winning 6-4, 7-5, Casey Sullivan, fourth man, winning 6-2, 6-3 and Mike Weyers, playing fifth man and winning 6-0, 6-1.

Also winning in the varsity competition were both doubles teams, consisting of Jamie Richardson and Dennis Swan winning 8-6, 6-2. Second doubles team was Larry Kondo and Peter Bolino, winning 8-6 and 6-2.

In the J.V. competition the J.V.'s also won, winning four out of six doubles teams that were played.

Winning for the J.V.'s were John Stenzel and Dave Heath, 6-2, 6-2, Don Benson and Mark Ray, 7-5. Mark split sets with Jim Birtola for another winning combination to win 6-0.

Other winners for the J.V. team were Les Fleury and Keven Wood winning 6-2, 6-2, Mark Germain doubled up with Greg Hefner for the fourth victory with a winning score of 6-2.

VIKES IN BIG MEET

Things didn't go too well for the West Valley College cindermen last week but coach Tom Smith and his forces are looking for a much better showing this Friday when they host Contra Costa for "all the marbles."

The Comets, picked along with Valley to finish at the top of the pack, will be here Friday for a Camino Norte Conference meet with the Vikings at Westmont High School. Track events will begin at 3:30 p.m. while field action is slated for 4 p.m.

RACQUETMEN WIN TWO

While things were a bit rocky for most other West Valley College teams last week, such was not the case on the tennis courts. The Viking racquetmen won two matches, one over Camino Norte Conference rival DeAnza, to run their season record to 10-6.

Chances are strong that the club will improve on that mark this week as they entertain Cabrillo Tuesday, San Jose City College Wednesday, and CNC foe Santa Rosa on Friday. All matches are slated for 2:30 p.m.

The Vikings have already beaten both the Seahawks and Jaguars handily this year and DeAnza, who fell to the locals 6-3 last week, beat Santa Rosa 6-3.

COUCHEE RAPS WINNING HIT

They had to rally twice to do it but the West Valley College baseballers snapped their string of bad breaks last Saturday as they pulled out a 7-6 win over Skyline in Camino Norte Conference play.

Now the Vikes will try to turn that win into a streak this week as they end up the first round of CNC play with bouts against Solano and Contra Costa. Valley will visit the Falcons Tuesday in Suisun Valley and host the Comets Thursday at Central Park in Santa Clara. Both games begin at 3 p.m.

The Vikes trailed by a run moving into the home half of the ninth last Saturday but pulled out the victory to run their league record to 2-3 .

GOLFERS HOPE TO EXTEND STREAK

With only one match on tap for this week, the West Valley College golfers will be out to extend on their current two match Camino Norte Conference win string as they visit Solano on the Blue Rock Springs course Tuesday at 1 p.m.

The Vikings won their second straight CNC match last Thursday as they crushed Santa Rosa 51-3 behind a fine 75 round fired by Rick Scott on the Riverside links.

PAYING OFF---Frank Velo, left, owner of Campbell Plaza Bottle Shop, didn't believe that Jim Wegner, 14, could walk 20 miles in the recent March of Dimes Walk-a-thon and told the Campbell High School freshman that if he made the walk, Velo would give $5 a mile to the campaign. Here he presents Jim with a check for $100 as Mayor Ralph Doetsch, center, looks on.

GUARDIAN COUNCIL--Mrs. Dorothy Boswell, grand deputy and past guardian of Bethel 298, far right, recently made her official visit to the group's Guardian Council. Council members are, front, Mrs. Ann Stone, guardian, Mrs. Nancy Swensen, director of music, Mrs. Beverly Martinsen, guardian of paraphernalia, Mrs. Edith Hunt, promoter of hospitality; Mrs. Joyce Wengner, guardian secretary; and, back, Melvin Coffelt, director of epochs, Bernard Martinsen, associate guardian, and Lynn Kishbaugh. Not pictured is Velma Luhdorff.

OFFICIAL VISIT---Faith Donahue, honored queen of bethel 298, greets Mrs. Dorothy Boswell, former guardian. Attending the ceremonies were many former bethel members active when Mrs. Boswell was a guardian. The Bethel, which sponsored a rummage sale on a recent weekend, also held a senior princess dinner, an Exemplification for the Charity Lodge and a Mothers' Club meeting. Regular meeting of the Bethel is today, March 22.

Last chance for tax help course

The last chance to learn about income taxes before the April filing deadline will come March 24-31 when West Valley College's Community Services office offers a class on "Everything You Want To Know About Income Taxes But Are Too Afraid to Ask."

The course will be held each of the six week nights from 5–7 p.m. on the Campbell campus of the college.

The course is a simple and non-technical presentation of the information needed to prepare income tax returns. The class will also allow time for questions by participants in order that specific problems can be analyzed.

Although most of the course content will be geared to individual needs, a small proportion of the material will cover major points of partnership, proprietorship and corporation tax returns.

Chet Harmer, business instructor at West Valley will teach the course. He holds a master's degree in accounting, has taught at San Jose State and is a certified public accountant.

Registration for the course may be done through Community Services, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58. A $3 fee will be charged.

'Can' drive at CUHS April 1

Donations of aluminum will be accepted on Saturday, April 1, by the Campbell High School's Science Club and art commission.

The cans are being collected in the Winchester Blvd. parking lot (faculty parking lot) next to the school from 9 a.m. to 12 noon.

The students have been holding "can drives" once each month and are using the proceeds to further their ecological work.

Philip Sheehy teaches abroad

Philip L. Sheehy, senior history major at the University of Santa Clara, is one of 40 American students selected for a French Government Teaching Assistantship for the coming academic year.

Sheehy, who spent his junior year at the Institute of European Studies in Paris, will spend 1972-73 teaching English 12 hours a week to French students, under the grant of the Institute of International Education.

Twenty-one year old Sheehy is a Blackford High graduate.

European classrooms for Campbell kids

Studetns from nine area high schools are dreaming of summer vacation.

Why are their dreams a little more exciting? Well, it could be because they will be leaving Oakland Airport on June 20 for six weeks of travel-school!

The "school" is an overseas travel-study program in cooperation with the Foreign Study League and is sponsored by the Campbell Union High School DIstrict Education Association.

In order to qualify for the program, students must be in good standing in academic work and citizenship and obtain recommendations from teachers and counselors.

The trip will include a visit to five separate European cultures including Italy, Switzerland, Austria, France and England.

Participating schools include Blackford, Campbell, Del Mar, Prospect, Westmont, Branham, Camden, Leigh and Leland High Schools.

Students attending will receive 10 credits toward high school graduation and will be graded for their work.

Pat Brimmer of Campbell High School and his wife, Linda, both teachers, will act as advisors for a group of 12 which includes Bob Surratt, 16, Campbell High sophomore; Pam Baymiller, 17, Prospect High junior; Terry Lancaster, 18, Prospect High senior; Kathy Raymond, 17, Prospect junior; Ted Jenkel, 17, Prospect junior; Annette Goodell, 16, Campbell junior; Raymond and Kathy Keegan, 14, Campbell freshmen and George Keegan, 16, Campbell sophomore; Becky Ruelas, 16, Leland High sophomore; Judy Miramontes, 15, Campbell freshman; and Lenore Miramontes, 18, West Valley College freshman.

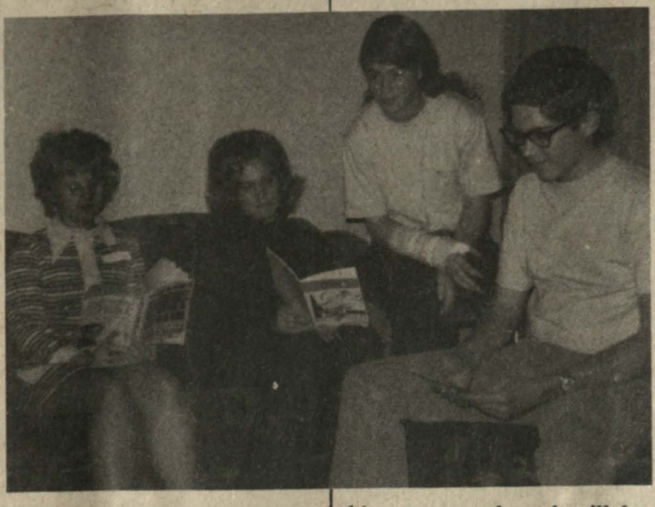
The twelve-year old program, which has offices overseas, includes direction by both European and American instructors. Daily classwork is supervised by Darrell Stone, instructor at Leigh High School. Subject matter will include each host country's history and government, culture and contemporary issues.

The itinerary includes seven days in Rome, seven in Lucerne, nine in Salzburg, eight in Paris and concludes with an eight-day visit to the London area.

Highlights of the trip will include a visit to the Vatican, a bus and boat trip to a palace, the Louvre, Eiffel Tower, and many famous London sights.

A few openings still exist in the program. For information, contact Brimmer at 379-4711, or Joe Maloof, regional director, 265-3933.

READY TO GO---Local students who'll spend six weeks in Europe this summer as part of the Foreign Study League Program include front, left to right, Pam Baymiller, Kathy Raymond, George Keegan, Raymond Keegan, Becky Ruelas and Judy Miramontes. Back row, Terry Lancaster, Bob Surratt, Mrs. Linda Brimmer, counselor, Ted Jenkel, Kathy Keegan, Annette Goodell, Leonore Miramontes and Pat Brimmer, counselor.



STUDYING ITINERARY --- Pam Baymiller and Terry Lancaster look over European travel books while Kathy Raymond and Bob Surratt discuss their planned trip overseas this summer when they'll be part of the Foreign Study League Program sponsored by the Campbell Union High School District Education Association.

Morgenthau is college speaker

One of America's most passionate and devoted critics will lecture on "The Future of American Democracy" at West Valley College March 24 (Friday) at 8 p.m.

Dr. Hans J. Morgenthau, currently professor of political science at the City University of New York, has more than 20 years of outstanding service to our government lending great authority to his criticism of today's political thinking.

Morgenthau's many governmental posts include both military and foreign policy. He has served as consultant to the Department of Defense and as senior fellow of the Council of Foreign Relations. He has lectured at the Air, Army, Naval and National War Colleges.

His many books have generally argued for a realistic approach to foreign affairs in which American national interests, rather than concern for alleged world opinion, is the chief guide in policy making. His books include: "Politics Among Nations", "The Purpose of American Politics" and "Politics in the Twenteth Century."

Tickets for his appearance may be obtained through West Valley's Community Services office, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

ALL SUPPLIES FOR THE HOME MECHANIC ONE STOP DO-IT-YOURSELF CENTER

Each Excelon Tile is one foot square. Perfectly square, so they fit snugly together. Doing a professional job is as easy as putting one foot in front of another.

You don't install Excelon Tile just for the beauty of it. The whole idea of doing it yourself is to save money—money you can use for an extra decorative touch.

You thought you couldn't do it . . .

now you can! With Armstrong Place 'n Press™ EXCELON® TILE, a new floor is as easy as One, Two, Three.

1 Peel the release paper from the back of the vinyl-asbestos tile (the adhesive is already there).

2 Place the tile in position.

3 Press it down . . . it's on the floor to stay!

And, oh yes, Four . . . sit back and enjoy the lovely floor you installed yourself.

Armstrong Place 'n Press tile makes covering an old floor so easy you can transform that "tired, old floor" into something special any free afternoon. And style hasn't been sacrificed either. There are three beautiful designs in a choice of room-warming colors.

Stop by today, select your favorite, and enjoy it in your home tonight.
